

The Manchester Child Death Overview Panel (CDOP) reviews the deaths of children aged 0 – 17 years, in order to learn lessons and share findings for the prevention of future deaths. The Manchester CDOP aims to use the findings to make actions and recommendations to improve the health and safety of children across the City. From what we know the initiatives below will contribute to preventing the deaths of children/young people:

### Product Safety Alert!

There has been a number of safety alerts and baby sleeping product recalls, with consumers being urged to STOP using these products IMMEDIATELY!

**X Fisher-Price Rock 'n Play Sleeper**

**X Baby Dunlopillo Safe Sleep Cot Bed Mattress**

For more information on product safety, The Lullaby Trust have produced a Product Guide: A Guide to Buying Safer Sleep Essentials which is available on the trust's website [www.lullabytrust.org.uk/safer-sleep-advice/sleeping-products](http://www.lullabytrust.org.uk/safer-sleep-advice/sleeping-products)

**The safest place for a baby to sleep is on their back, in a Moses basket or cot in a room, with the parent or carer, for the first six months - this advice is the same for all times of the day and night when the baby is sleeping**

### Care of Next Infant (CONI) Programme

The Lullaby Trust and NHS provides specialist support for bereaved families, promotes expert advice on safer baby sleep and raises awareness of Sudden Infant Death Syndrome (SIDS). The Care of Next Infant (CONI) programme, supports families before and after the birth of their new baby and are committed to supporting research to understand why babies die suddenly and unexpectedly and to find out more about how to reduce the risk of these tragic deaths.

For further details about the CONI programme and the availability of CONI in your area, please contact The Lullaby Trust by calling **0808 802 6869** or email [info@lullabytrust.org.uk](mailto:info@lullabytrust.org.uk) You can also speak with your Midwife or Health Visitor for further information.

The Lullaby Trust also runs a free information helpline for parents and professionals **0808 802 6869** and a dedicated helpline for bereaved families **0808 802 6868**. Advice including, factsheets and the latest research can be found at [www.lullabytrust.org.uk](http://www.lullabytrust.org.uk)

### YOUNGMiNDS

Did you know, 3 children in every classroom have mental health problems? YOUNGMiNDS aims to make sure young people get the best possible mental health support, have the resilience to overcome life's difficulties and are supported and empowered, whatever the challenges. Are you worried about a child or young person? YOUNGMiNDS offer a free helpline for confidential, expert advice.
