# Salaried GP wanted

## Join Our Innovative Practice

We are looking for a newly qualified GP to work 4 sessions per week at the Practice.

To be eligible you must be a newly qualified GP and have qualified within 2 years (after 30th September 2022) and must not have had substantive employment within a PG practice. This is a fixed term salaried contract until 1st April with potential for extension.

Chorlton Family Practice is a large training practice in South Manchester with a supportive, enthusiastic team in a relaxed and encouraging working environment. We have a practice list size of over 22,500 and run over two sites within walking distance of each other.

The practice is recently under new management and has a Google review rating of 3.7/5.

### We offer:

- Competitive salary (£10.6k per session) and benefits package
- Regular team meetings
- Supportive and collaborative team culture
- Flexible working arrangements
- Pension Scheme and 6 weeks Annual Leave
- Potential for you to make a significant impact on patient care.
- A diverse clinical workforce including dedicated Pharmacy team
- Total-triage led GP appointment system
- GP training practice with supervision opportunities
- Dedicated housebound and elderly visiting service
- A close working relationship with our Primary Care Network

### We prioritise:

- A safe, sustainable workload for all our staff
- An environment which encourages our staff to maximise their potential
